Net Weight: 50 lbs. (22.7 kg)

GENERAL INFORMATION

IMPORTANT: Read the entire DIRECTIONS FOR USE, GENERAL INFORMATION and LIMITATION OF WARRANTY AND CONDITIONS OF SALE before buying or using this product.

Suffusion is an effective blend of surfactants for use on all types of growing media in nurseries, greenhouses interior plantscapes and soil production.

Specifically developed to :

- Improve water penetration and retention of optimum moisture levels.
- Give excellent initial wetting and long term re-wetting.
- Assist uniform wetting and drying of the growing media.
- Improve drainage.

DIRECTIONS FOR USE

Suffusion can be: - Incorporated in the growing media
- Applied as a top dressing to containers and drenched in.

Growing Media Preparation – Incorporation

Production Area	Rate / cubic yard	Longevity Requirements / Growing Media Conditions
Containers, field soil Long-term production cycles	2 lbs.	Maximum longevity (9 - 12 months) Severely water repellent
Pots, hanging baskets Medium term production cycles	1 lb.	Medium longevity (3 - 6 months) Moderately water repellent
Flats, pots, trays, plugs Short term production cycles	½ lb.	Short term activity (2 - 6 weeks) Slightly water repellent

Note: There may be variations in longevity under variable growing conditions.

Further applications can be made as necessary during production (see below).

Growing Media in Production – Top-dress and Drench In

Production Area	Rate
Containers, pots, hanging baskets and interior plantscapes	2 teaspoons per 1 gallon container 4 teaspoons per 2 gallon container 2 tablespoons per 3 gallon container 3 tablespoons per 5 gallon container

Further applications can be made as required.

Addition of water as a drench over the granules will assist the movement of **Suffusion** into the growing media.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store only in original container. Keep container tightly closed. Keep in a safe and locked storage place. Do not allow water to be introduced into the contents of this container.

Protect from frost

Container Disposal: Completely empty bag into application equipment. Dispose of bag into a sanitary landfill or by incineration or dispose of in accordance with federal, state and local laws.

Product disposal: Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.
