GENERAL INFORMATION

IMPORTANT: Read the entire DIRECTIONS FOR USE, GENERAL INFORMATION and LIMITATION OF WARRANTY AND CONDITIONS OF SALE before buying or using this product.

KEEP DRY till used.

SUFFUSION is an effective blend of surfactants for use on all types of growing media in nurseries, greenhouses, interior plantscapes and soil production.

Specifically developed to:

- Improve water penetration and retention of optimum moisture levels.
- Give excellent initial wetting and long term re-wetting.
- Assist uniform wetting and drying of the growing media.
- Improve drainage.

DIRECTIONS FOR USE

SUFFUSION TABLET is specifically formulated for the immediate wetting of dry and water repellent soils and to aid in re-wetting. Repeat applications as necessary.

The **SUFFUSION TABLET** is inserted into the applicator vessel of the hose-end device and as water flows over the tablet, it slowly dissolves. One tablet will last approximately 1 hour and 30 minutes. Rate of dissolution will depend upon water pressure and temperature.

Net Contents: 6 x 8 oz. (6 x 250 gram)

STORAGE AND DISPOSAL

Storage: Store only in original container. Keep container closed to keep dry. Do not allow water to be introduced until ready to use.

Container Disposal: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill, or by incineration, or if allowed by state and local authorities, by burning. If burned stay out of smoke.

LIMITATION OF WARRANTY AND CONDITIONS OF SALE

Read this LIMITATION OF WARRANTY AND CONDITIONS OF SALE before buying or using this product.

OHP, Inc. warrants that this product conforms to the chemical description on the label and if used in accordance with directions for use, is fit for the purpose referred to. It is impossible, however, to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of OHP, Inc. All such risks are expressly assumed by the buyer.
